Dear Mr. Bates: *Dan*

The 7th Annual Cosmic Bowl fundraising event on June 2nd was a great success, thanks to the generous donations and the participation of hundreds of bowlers, donors and sponsors. It was a fun-filled evening, with families, friends and colleagues coming out for a healthy and entertaining event, to raise over \$33,000 for kids and families who need our support.

Thank you for your role in Cosmic Bowl, which helps Peel Children's Centre provide critical support to over 3,500 children, youth and their families. Mental health issues like anxiety, depression, ADHD, and the results of abuse and sexual assault are difficult enough for adults to deal with. At Peel Children's Centre, about half of our clients are under the age of 12.

For 25 years, we have been there for families, thanks to the support of our corporate and community friends. Your contribution will help ensure the continuity of our acclaimed, free services and programs, including our 24/7 crisis line, workshops for new moms or teenaged girls, school support programs, residential treatment, and counselling programs. An unpredictable economy means that more children and families than ever are turning to us for our services, and your financial support helps us bridge the gap created by insufficient government funding. As the second largest children's mental health organization in Ontario, our services have been deemed excellent by external accreditation, with an impressive rating of 98.6%. Our programs are proven to make a positive difference in the lives of families served.

Your support matters to us – and to the children and families we help in our community. For more information on Peel Children's Centre please go to our website at www.peelcc.org. Thanks to you, we are there for these families when they need us the most.

Sincerely,

Ceri Harnden
Director, Economic and Business Development
